St. John's Bread & Life, which operates a food pantry, soup kitchen, and shelter, is in need of new wheels for its important work.

The organization has been providing meals and other services to those in need in the community for over 50 years. In the past year alone, it has distributed over 2.5 million meals.

但由于缺乏一辆新卡车，该组织面临挑战。如果没有一辆现代化的卡车，他们将无法有效地将食物送到那些需要帮助的人手中。

Mother Cabrini Health Foundation, which supports St. John's Bread & Life, has allocated $30,000 to the organization for the purchase of a new truck.

The grant will help St. John's Bread & Life continue its vital work in providing meals and other services to those in need.

The funds will be used to purchase a new truck, which will allow the organization to continue its mission.

In addition to the grant, the Mother Cabrini Health Foundation has also provided other resources to support St. John's Bread & Life in its efforts.

The organization will continue to work towards providing meals and other services to those in need.
